

## VACANCY

The Trade and Development Bank (TDB), formerly known as the PTA Bank, is a specialized African financial institution serving most of the Eastern and Southern African regions. The Bank's objective is to provide short, medium and long term financing to viable projects and trade finance activities in member states, including equity finance and guarantees. The Bank's vision is to become a world class financial institution contributing to the economic growth and prosperity of the Eastern and Southern African region through provision of trade, projects and infrastructure finance.

TDB aims to attract and retain exceptionally talented professionals by offering a conducive working environment and attractive salaries and benefits. In line with its growth strategy, the Bank is looking for self-motivated and results oriented professionals to join a team committed to building a world class financial institution. Interested and qualified candidates from the Bank's member states are therefore invited to apply for the following position:
